2024 Assessment Proposal
September 2024

Dear Homeowner:

This notice is to inform you of the results from the second special assessment vote held on 9/9/24:

Thank you to everyone who came out again to vote. We had another fantastic turnout with 155 households recording votes, well ahead of the required 123 house quorum.

Official Results on each vote:

- Park Replacement - 51 yes votes / 155 votes cast = 32.9% assent
- Mailbox Replacement – 71 yes votes / 155 votes cast = 45.8% assent

As both votes were below the 67% threshold, both proposals fail.

While we hoped for a different outcome, we appreciate the engagement and participation over the last year or so on this endeavor. The board will discuss next steps on how to manage the park and mailboxes going forward.

For any questions, please reach out to board@sierraassociation.org.

Sincerely,
Sierra Association Board Members
