Agenda: Reviewed Aspects

1. Park and Mailbox costs for replacements
   - Park $575/house and $150/house = $750/house
   - Two installments
2. Safety Assessment- 20+ year old park. Wood structure is rotting.

Q&A and other areas of discussion

1. Possibility of 2 separate votes
   - Park and mailboxes, park only, or mailboxes only

2. Scope of Work: Replace Trash/Recycle Bins

   -this is covered in yearly maintenance

3. Scope of Work: Basketball court

   -this is covered in yearly maintenance

4. suggestions for 100% replacement and increase cost to include Trash/Recycle, basketball court and structure

5. discussed ways to cut costs

   -Bailey from Landscape structures noted: help with demo, help with laying wood chips

6. discussed age range of park

   -5-12-year-old. Replicating current park. Bailey from Landscape Structure discussed this is common amongst all local parks.

7. Wood chips vs turf

- cost efficient to put in wood chips. Turf material is very expensive.

8. Replacement/Life of Park

-Bailey from Landscape Structures noted material and life expectancy of park is now 30 years

9. Suggestions for mailbox replacement: 15 mailboxes per structure. Metal structure (no wood)
