Sierra

Welcome to the Neighborhood

It's been a pretty busy year of houses being sold in the neighborhood. The board, on behalf of the neighborhood, would like to welcome all new neighbors to Sierra. We look forward to meeting everyone in person. If there are any questions and/or concerns as you settle in, don't hesitate to reach out to the board via the email below as well as engaging in the neighborhood Facebook group ("Sierra Home Owners Association").

All residents: Don't miss out – opt in to receive this newsletter via email by sending a request to board@sierraassociation.org. Please spread the word across the neighborhood.

Happy Holidays!

We hope everyone is having a fantastic holiday season. We hope it was a fruitful, safe, and healthy season for all. It has been our privilege to serve the neighborhood for another year. Best wishes as we flip the calendar over to 2024.

From the Board

Reminder – As part of our cost stewardship, the trash collection at the park is current on pause for the winter season. While the bins are still present, we ask that you do not drop trash or dog waste into the bins during the winter months. Thank you!

A few top of mind topics for everyone:

1. Thank you to everyone that attended either the in-person or virtual Park Town Hall. We found these discussions to be really helpful in understanding the neighborhood appetite for a park update. There were great suggestions and Ideas that the board is taking under advisement as we plot our path forward. If you were unable to attend either of these meetings, we do plan on having future town halls and we pace toward the official vote.
2. Keep your eye out for the 2024 dues letter. This will be mailed out in early January.
3. Please continue to keep neighborhood safety a priority throughout your daily comings and goings. Drive safely through the neighborhood and obey all traffic signs.
