March 2024

Happy Belated New Year

As this is our first newsletter of 2024, we would like to formally wish everyone a Happy New Year. Amazing we are already 1/4 of the way through it. We are excited about many of the new things we have planned in 2024 for our neighborhood. Please attend the annual meeting on April 9th, where we will share our 2024 agenda in more detail.

2024 Egg Hunt

Thank you to everyone that came out to the 2024 Egg Hunt on Saturday March 23rd at the park. We had fantastic weather for the event. It was a joy to watch all the kids efficiently grab the hundreds of eggs and pieces of candy we spread across the park in a swift 10 minutes. The board was able to grab a few snapshots of the event, as well!

From the Board

Some information we want to share with everyone:

1. Thank you to everyone that responded to the annual survey. Results will be shared at the Annual Meeting and posted on the website.
2. Our trash service is running again at the park. Thank you to everyone for keeping in mind the paused service throughout the winter.
3. Annual Meeting is scheduled for Tuesday April 9th at 7pm in the Maple Room at City Hall. You can also attend virtually via our zoom information below:

   Meeting ID: 918 2209 2761 *Passcode: 196523*
4. The City of Waconia will be installing a new water meter reading tower at the park sometime in 2024. The location should not impact park usage but there may be some turf impacts and utility traffic as the installation occurs. The date hasn't been scheduled and we will share more information once the timeframe becomes clearer.
5. As we've arrived in spring and the weather slowly improves, there will be more families and pets out and about. Please drive slowly through the neighborhood and obey all traffic signs.
