September 2024 (Q3 Recap)

August 26th Storm

Our rain-filled summer culminated with a historic storm that “breezed” through the neighborhood. It was pretty epic - with 70+ MPH winds, intense storm damage, and even a KARE 11 feature. We witnessed great community spirit to the soundtrack of buzzing of chainsaws as Sierra residents helped each other in the cleanup! Enjoy some pictures we snapped of the aftermath.

2024 Annual Picnic held in July

Feels like forever ago, the 2024 picnic was held on Thursday July 11th at the Park. Hundreds of burgers, hot dogs, veggie burgers and sides were consumed. The weather was perfect as we introduced live music and touch a truck along with llamas, face painting, and yard games. Truly a highlight of the Sierra summer. Thank you to all that came out and participated. We hope it was as fun to attend as it was to organize.

From the Board

Some information we want to share with everyone:

1. Assessment Vote: Both the park and mailbox proposals did not pass. The board is working through alternative plans for the park and mailboxes and will share at the annual meeting in April, if not sooner.
2. As we pace through the fall, the irrigation system is nearing winterization.
3. Reminder: All plans plans for fences, sheds, and other exterior improvements are required to be submitted to the board for architectural approval prior to construction.
