Sierra Neighborhood Newsletter
Spring 2026

Annual Meeting Recap

The Sierra annual meeting was held on Tuesday April 14th at the City Hall Maple Room. Thanks again to those that attended.

The board gave the following updates:

- Results of the Board of Directors vote, which resulted in re-election of the 3 incumbents.
- Financial update on 2025 results and planned 2026 budget.
- Planned neighborhood maintenance and activities for the year.

The meeting presentation will be posted on the Sierra website. If you have any follow-up questions, please reach out to board@sierraassociation.org.

4th Annual Egg Hunt

Our 4th Annual Egg Hunt was held at the park on Saturday March 28th.

As usual, the 200+ eggs were scooped up in a flash.

Thank you to all that came out in the mildly brisk weather. We look forward to this event every year.

Housekeeping

1. Welcome to all the new Sierra families: 2 homes sold so far in 2026.
2. Trash/recycling hold at the park has ended. Thank you for not using during the pause.
3. Recreational vehicle and trailer storage seasonal change is in effect.
4. Summer is coming – please drive slowly through the neighborhood, watch for children and please obey stop signs.
5. All plans for fences, sheds, and other exterior improvements require architectural approval prior to construction. Please submit a visual of the design prior to construction and pictures upon completion that acknowledge the final build is in compliance.
